

The **Livestock and Poultry Performance Report** presents the performance situation in terms of production and inventory of carabao, cattle, goat, swine and by type of chicken; and inventory in the slaughterhouses. Moreover, data for this special release were collected by the Philippine Statistics Authority (PSA) through the two (2) major surveys, namely: Backyard Livestock and Poultry Survey (BLPS) and Commercial Livestock and Poultry Survey (CLPS).

Another survey that supplements the data requirements of the Livestock and Poultry sector is the Compilation of Data in Slaughterhouses and Poultry Dressing Plants (CDSPDP). This is done monthly and utilizes administrative data from slaughterhouses in the province which is in coordination with the Provincial Veterinary Office (PVO) and Meat Inspectors (MIs).
