## 5. Decentralized Copy Annotation Process

The Decentralized Copy Annotation Process or DeCAP is a system that enables the Regional *Serbilis* Outlets to cater requests for copy issuance of annotated civil registry documents. Further, the system will reduce the processing time and ultimately bring civil registration services closer to the people. Annotations of civil registry documents affected by administrative proceedings such as Republic Act No. 9048, RA 10172, and Supplemental Reports will be filed, processed, annotated, and released by the Regional *Serbilis* Outlets
