

# PRESS RELEASE

## PSA Albay conducts Infographics Making Contest in celebration of 34<sup>th</sup> Civil Registration Month

Date of Release: 28 February 2024  
Reference No.: 2024-006

The Philippines Statistics Authority – Albay conducted its 2nd Infographics Making Contest on February 16, 2024, at the PSO Albay Conference Room, G/F PSA Building, Rawis Legazpi City. This event served as a platform for showcasing the creativity and innovative thinking skills of senior high school students in the province of Albay.

The competition was participated by the first ten (10) qualified students who successfully registered through the online registration form posted on PSA Albay's official Facebook page. Additionally, invitation letters were distributed to different schools in Albay.

The primary objective of the competition was to provide an opportunity for senior high school students within the province of Albay to exhibit their skills in crafting visually engaging and informative infographics. The infographics interpreted and visualized the data provided to the contestants, demonstrating not only their artistic abilities but also their understanding of important statistical information. The main topic of the data given were about monthly vital

events, particularly birth, marriage, and death from January to August 2023, collating it with the theme for the 34th Civil Registration Month – *"CRVS: The Future of Seamless Service."* As part of the guidelines, any device or software could be used during the competition. Despite being given only two (2) hours to complete their infographics, all contestants managed to finish their work accurately and creatively within the limited time frame.

The panel of judges for the contest comprised the chairman, Cecil G. Brondial, CSS of PSA Albay, along with members Mary Grace Nuada, Statistician I of PPDO Albay, and Ana G. Bajamundi, SrSS of PSA RSSO V. Following careful deliberation by this panel of experts in design and statistics, winners were selected based on criteria including creativity, clarity of presentation, relevance of content, and technical execution.

As a result of the contest, the winners are as follows: 1st place - Mr. Kerstan Rhys L. Pasadilla from Legazpi City Science High School, 2nd place - Ms. Glaiza M. Barcelá from Legazpi City National High School, and 3rd place - Ms. Leann Hershey A. Secillano from Oro Site High School. The winners received certificates of appreciation and token in recognition of their outstanding achievements. Other participating schools are Ligao National High School, Banquerohan National High School, Malabog National High School, Daniel B. Peña Memorial College Foundation, Inc., Oas Polytechnic School, Cabangan High School, and Marcial O. Rañola Memorial School.

PSA Albay extends its sincere appreciation to all the contestants and their coaches who contributed to the success of the Infographics Making Contest. Congratulations are also extended to all the winners and participants for their remarkable contributions to the contest. Their dedication and talent are truly commendable, and it is believed that they will continue to excel in their creative endeavors and participate again in future activities of PSA Albay.
