on 4 May 2023**

Date of Release: 4 May 2023
Reference No. 2023-009

*(Left – CRS Associate assists client in getting queue ticket number (QTN) and encoding in self-service kiosk (SSK)
Right – Clients at the payment counters after securing their QTN and/or encoding at SSK)*

The Philippine Statistics Authority–Civil Registry System (PSA-CRS) Legazpi Outlet resumed its operations with the Go-Live on 4 May 2023 employing an enhanced technology and processes after its successful transition to Phase 2 of the CRS-Information Technology Project (ITP) under the Public-Private Partnership (PPP) with Unisys Managed Corporation.

With CRS-ITP 2, expeditious processing of requests and shorter lines are expected at the application and payment counters with the addition of a self-service kiosk. The issued civil registry document (CRD) in security paper (SECPA) in the Outlet has now improved and already contain a Quick Response (QR) Code on every page of CRD as a means to verify its authenticity including a unique transaction number per document, a serial number, and the assigned birth/marriage/death reference numbers.

Moreover, the Outlet is equipped with more additional features and services not just copy issuances, authentication and Certificate of No Marriage (CENOMAR)/Advisory on Marriages (CEMAR) but the Certificate of No Death (CENODEATH)/Advisory on Death (CEDEATH), Viewable Online and DocPrint can now be availed.

PSA-RSSO V Press Release 2023-009
