On 23 October 2023; San Lorenzo Ruiz, Camarines Norte – Philippine Statistics Authority (PSA)-Camarines Norte Provincial Statistical Office (PSO) successfully conducted the first Data Turnover Ceremony for the 2022 Community-Based

Monitoring System (CBMS) in Bicol Region for the Local Government Unit (LGU) of San Lorenzo Ruiz, Camarines Norte. The ceremony was graced by the esteemed officials of the said LGU including Municipal Mayor Nelson P. Delos Santos, Vice-Mayor Arnulfo D. Bacuño and the members of the Sangguniang Bayan including the dynamic team of the Municipal Planning and Development Office (MPDO) headed by Engr. Rico C. Brizo, Municipal Planning and Development Coordinator, with LGU-CBMS Core Team, and representatives from the Provincial Planning and Development Office (PPDO) of Camarines Norte.

The event serves as venue to present the highlights of 2022 CBMS for San Lorenzo Ruiz, Camarines Norte, as a result of the extensive data collection conducted last 7 August to 5 October 2022 that covered 12 barangays, 3,534 responding households summing up to 14,798 population, followed by the conduct of accurate data processing from 9 November to 30 December 2022. This also serves as an opportunity for them to discuss the future plans and programs of LGU using CBMS data. These highlights were clearly presented by Regional Director Cynthia L. Perdiz, CESO V of PSA-Regional Statistical Services Office (RSSO) V that envisions a data driven local governance for LGU-San Lorenzo Ruiz.

RD Cynthia L. Perdiz with Chief Statistical Specialist (CSS) Danilo V. Luceña of PSA-RSSO V and CSS Maria Dulce C. Padayao of PSA-Camarines Norte PSO led the Ceremonial Data Turnover by relinquishing a flash drive containing the 2022 CBMS data (symbolizing data transfer), to Mayor Nelson P. Delos Santos and officials of LGU-San Lorenzo Ruiz, Camarines Norte. The transferred data is now to be safekept by the said LGU deploying the appropriate security protection pursuant to the Data Privacy Act of 2012 and as stipulated in the Data Turnover Agreement signed by the relevant parties during the ceremonial signing prior the turnover.

Further, it has to be noted that CBMS refers to an organized technology-based system of collecting, processing, and validating necessary disaggregated data. The generated data from CBMS will serve as a vital source for a sustainable local government for San Lorenzo Ruiz, Camarines Norte, enabling them with an evidence-based decision-making, inclusive and comprehensive planning, and lead them in targeting programs that is primarily designed to the address the needs of their community. This only affirms the official tagline of the 2022 CBMS: *“Swak na Datos para sa Komunidad na Mas Maayos.”*
